

Kellogg Buddies App

Page 0: Landing Page

As a logged-out user...

- I want to be able to sign up for the service
- I want to click a button to login to my existing profile
- I want to see basic information about the “Kellogg Buddies” app
- I want to see a sample profile of the type of “Kellogg Buddy” I can be interact with if I login

Page 1a: Login page

- I want to be able to login to my existing profile

Page 1b: Account Creation - Amy

As a logged out user, I want to create a new account for the Kellogg Buddies service...

- I want to set my **account credentials** (e.g. email, password)
- I want to share **basic personal information** (e.g. name, Kellogg program, picture)

Page 2: Enter Preferences - Amy

As a logged-in user...

- I want to be able to rank choice my interests / preference dimensions
- I want to share my **interests / preference dimensions**, which will inform the matching algorithm
- I want to be able to create more than one profile's worth of interest dimensions, to different matching profiles based on different scenarios

Development Notes:

- *We are still determining the exact interests / preference dimensions to include as options.*
- *We are still determining how many interest options to provide.*

Page 3a: Match Page - James

As a logged-in user...

- I want to see my top 3 matched Kellogg Buddies including select profile information, based on the matching algorithm
- I want to be able to “email” my recommended Buddies

- I want to be able to “save matches” for Buddies that I would like to reach out to later
- I want to be able to click to browse for other recommended Buddies

Page 3b: Browse more matches - James

As a logged-in user after I click “Browse more” on the initial match page...

- I want to see all matches who meet a certain “Buddy Score” criteria
- I want to be able to email and save Buddies, just as I could with my initial match page

Page 4: Profile / Saved Buddies - Adrian

As a logged-in user, I want to view my “Buddy profile”

- I want to **see my current “Buddy Profile”** (in other words, I want to see the preferences I submitted to generate my matches)
- I want to **create a new “Buddy Profile”** (In other words, I want to create a new set of preferences to generate new matches)
- I want to **select from my current & past “Buddy Profiles** and see the matches I saved from each

As a logged-in user, I want to see my saved Buddies

- I want to see information about the Buddies I chose to save
- I want to see some of their relevant shared interests
- I want to be able to contact them

Open questions

Matching algorithm

- What interests to provide as options?
- How to “score” match ranking?
